

#Hartlepool Holiday Fun

Dear parent or carer

We're once again organising an exciting range of fun-packed activities for Hartlepool children and young people aged 4 to 16 over the school Easter holidays.

Swimming, a forest school, karate, mindfulness sessions, football coaching, Pokemon and Harry Potter games, cycling, a Fab Lab, music, boxing, arts projects, a sensory holiday club and activities for children with SEND are just some of the activities on offer.

There'll be lots to keep children and young people entertained, helping them discover new hobbies and skills and make new friends. On top of this, they'll also get a tasty, nutritious meal into the bargain.

It's all part of Hartlepool Holiday Fun - a project run by Hartlepool Borough Council in partnership with different organisations across the town and funded by the Department for Education - which provides activities for children and young people over the main school holidays throughout the year.

Places are available FREE for children who receive free school meals.

If your children took part in any of our previous Hartlepool Holiday Fun activities and you have already given us your consent to contact you with details of our upcoming programmes, we will contact you directly with full details of the Easter programme and how to book.

Alternatively, from Monday 13th March, when booking opens for children who receive free school meals, visit www.hartlepool.gov.uk/hartlepool-holiday-fun or scan the code below.

To book onto activities you will need to create an account on the Hartlepool Borough Council online system, unless you already have one.

Best wishes
The Hartlepool Holiday Fun Team
