TRUST VISION & VALUES

Extol Trust is an ambitious and collaborative Trust based in the North East of England. The Trust's conception was driven by a passion and a moral belief that all pupils deserve to attend a 'stand out school', where they flourish personally, academically and socially.

We place children at the centre of all we do, aiming to create a climate where excellence flourishes as a result of outstanding leadership, engaging teaching and high quality learning. We are a Trust which works hard to be an employer of choice ; we know we can't have great schools without great staff and we work very hard to recruit, retain and develop our people to be the best they can be.

We place Extol Trust as both a system and civic leader, working with other organisations to advance education for the wider common good. Through the development of purposeful partnerships and true collaboration, we aim to impact not only on our school communities but the wider education landscape. We believe that strong collaborative Trusts should be at the front and centre of shaping education reform.

We passionately believe that by investing in our workforce we develop an inspiring, committed and professional team within each school

Excellence Extol has a focus on excellence in all that we do. We strive to achieve the very best for our schools and their communities. We know that access to an excellent education opens opportunities for individuals and the community in which they live

Partnership Extol knows there is power within a partnership of schools. We believe that a true, inclusive partnership with people driven by the same 'why', allows our family of schools to learn with and from each other.

Mr Craig Nicholson
